Come

You are invited to join us on a tour through Olivet. You may be completely familiar with the halls, the people and the events and add, to the pictures you will see, memories of your own. Again you may be a stranger, as are our young friends pictured here. Whatever your connection, we hope this book will make dear to your heart, too, Our Olivet.

Our President....

SELDEN DEE KELLEY
A.M., S.T.B., S.T.M., D.D.

Some years ago, when a student, I had the privilege of being the Business Manager of the Aurora. Many years have intervened and now I have been honored in being elected President of my Alma Mater. In this new responsible position everyone has been so kind and gracious.

Again the Aurora makes its appearance. Congratulations are extended to the Editor, the Business Manager, and the staff for this beautiful and accurate picture of life at Olivet Nazarene College.

The Aurora is an integral and important part of O.N.C. It preserves for the future the experiences of the current year. As we leaf through its pages in years to come our minds and souls will be inspired anew to carry on the ideals of our institution.

To the 1949 Aurora Staff, as well as to all members of the Student Body, I would charge: As you face the realities of life and meet its problems, be loyal to the ideals of Olivet Nazarene College; manifest an optimistic attitude, an unswerving loyalty, and keep a deep devotion to God. It is for us, as Tennyson said, "To strive, to seek, to find, and not to yield."

SELDEN DEE KELLEY, D.D.
AUGUST, 1897 — APRIL, 1949

We, the members of the college, mourn the loss of our beloved leader. Our only comfort lies in the knowledge that what he preached and lived will find fruition in our lives, that his God is our God.

WELL DONE

Servant of God, well done!
Rest from thy loved employ:
The battle fought, the victory won,
Enter the Master's joy.

The pains of death are past,
Labor and sorrow cease,
And Life's long warfare closed at last,
Thy soul is found in peace. J.M.

We have quickly come to appreciate our new President and Mrs. Kelley. Zealous for the good of the college and the kingdom of God, they have given unreservedly to our interests. Dr. Kelley's wonderful chapel talks and sermons have been a rich source of blessing to all.

Mrs. Kelley serves as Personnel Director. Her kindly counsel and good advice have been of assistance to many students.

DEAN, SCHOOL OF RELIGION

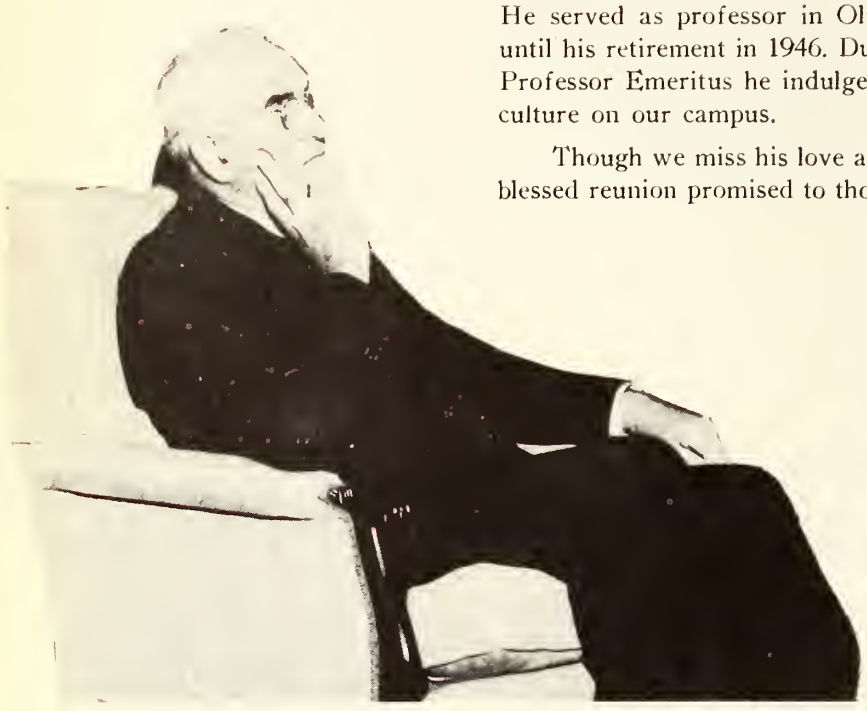

Thomas S. Greer

1876-1948

A true Christian gentleman. . . .

He served as professor in Olivet Nazarene College from 1912 until his retirement in 1946. During the last two years as History Professor Emeritus he indulged in his life-long hobby of Horticulture on our campus.

Though we miss his love and counsel, we are assured of that blessed reunion promised to those who are faithful to the end.

A God-called man . . . Lover of God and the Church . . . Man of great convictions, daring, courage and faith . . . possessed of a compassionate heart.

A great leader gone on to Glory.

The Student Prayer Chapel, sponsored by the Student Prayer Band, is under the leadership of Clayton Bailey, President. It is one of the greatest bulwarks of the school against sin, providing a means of worship and fellowship. Over 300 students come each evening, singing, praying, and testifying to the glory of God. Men and women have been established in their experience through these meetings. This organization contributes to the spiritual backbone of Olivet.

CARL S. McCLAIN, M.A.

The Dean has taught longer at Olivet than any of our other teachers. Reserved, and yet possessed of a real sense of humor, he lends stability and judgment to the position. For food he chooses American-fried potatoes, and for relaxation he likes to walk.

Dean of Liberal Arts and the Registrar.

RALPH E. PERRY, M.A.

Returning to his Alma Mater, Professor Perry has served at Olivet as Registrar and History teacher for the past year. His favorite foods are fancy salads. For several years he has been the Chicago Central N.Y.P.S. President. By the way, he married a P.K. and they have two little P.K.'s of their own.

DEAN STARR
Student Body President

the Student Council...

The Student Council of 1948-49 has been characterized by a spirit of cooperation indicative of the close fellowship prevalent on our campus. The council has consistently sought and obtained the leadership of Christ in every undertaking.

Under the careful sponsorship of Dean McClain and with the combined efforts of all members, the Council has successfully served its purpose as a liaison group between the students and the Administration.

The Student Council is composed of twelve members; two elected from the the student body at large, two from the college senior class, two from the college junior class, one from the college sophomores, one from the freshmen, two from the bible school and two from the high school.

DWIGHT J. STRICKLER, M.S.

After nineteen years at Olivet, Professor Strickler, head of Department of Biological Sciences, has really become an important figure. Because of his hobby, photography, the Aurora is supplied with many wonderful pictures. For several years Professor Strickler has been the capable sponsor of the year book, and we would vote him "The Busiest Man on the Campus." His home town is Scottdale, Pennsylvania.

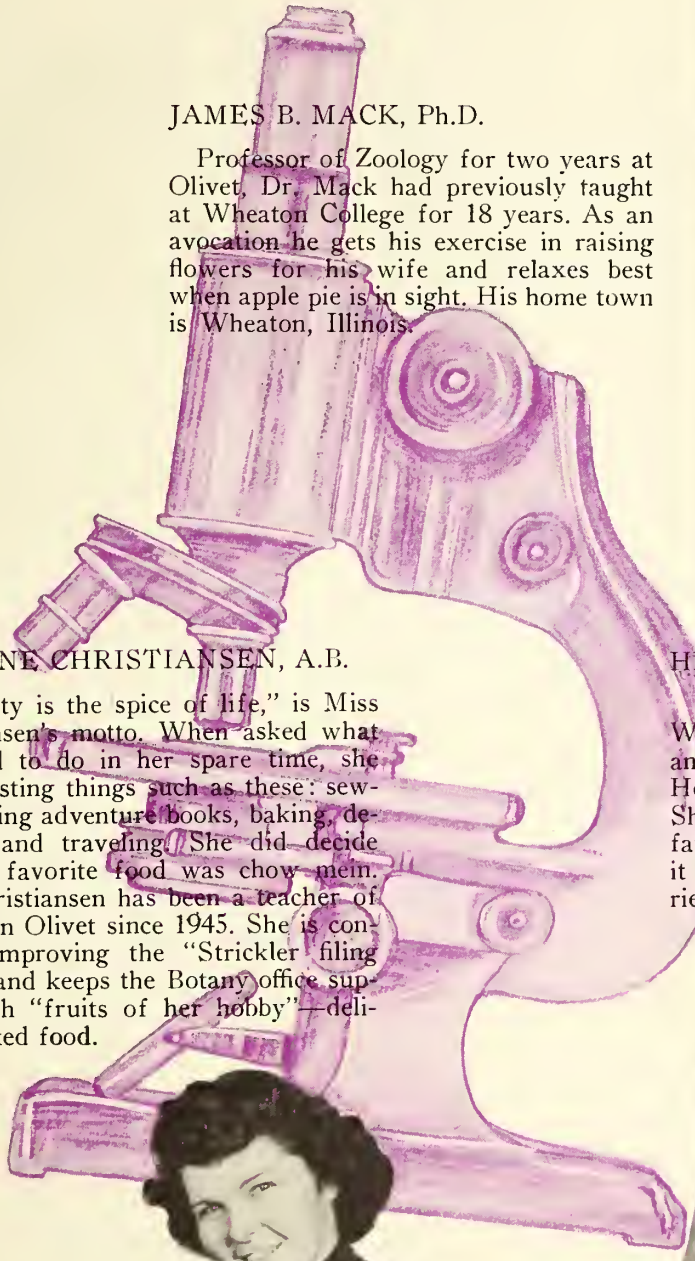

our Biology Dept....

JAMES B. MACK, Ph.D.

Professor of Zoology for two years at Olivet, Dr. Mack had previously taught at Wheaton College for 18 years. As an avocation he gets his exercise in raising flowers for his wife and relaxes best when apple pie is in sight. His home town is Wheaton, Illinois.

DARLENE CHRISTIANSEN, A.B.

"Variety is the spice of life," is Miss Christiansen's motto. When asked what she liked to do in her spare time, she started listing things such as these: sewing, reading adventure books, baking, designing, and traveling. She did decide that her favorite food was chow mein. Miss Christiansen has been a teacher of Biology in Olivet since 1945. She is constantly improving the "Strickler filing system" and keeps the Botany office supplied with "fruits of her hobby"—delicious baked food.

HELEN WILSON, A.B.

A recent graduate of Olivet, Helen Wilson has taught high school Biology and Zoology laboratory for the past year. Her home town is Manchester, Ohio. She is quiet and considerate and says her favorite pastime is reading—but we think it is Bill. Her favorite food—strawberries.

ELIZABETH MILLER QUANSTROM, M.A.

After three years at Olivet, Mrs. Quanstrom, "Betty," has filled a real place in our English Department. For food she chooses steak. She is from Brooktondale, New York.

our English Teachers and

RUTH E. F. BUMP, M.A.

After listening to Miss Bump talk a few minutes, one knows she is from the East. That's right—Boston, Massachusetts. She has been a professor of English at Olivet for six years. Knowing her home town, it is not surprising to find her food delicacy is lobster.

the English Guild....

Purpose: To promote a greater interest in creative writing, to uphold the Christian ideals of our college, and to share with our colleagues our ideals.

The project for the year was the publication of original writings of the Guild members and put into booklet form. The chosen officers were: President, Pershing Weaver; Vice-President, Burdella Tonk; Secretary, Carolyn McDonald; Treasurer, James Johnson; Sponsor, Miss Ruth Bump.

MRS. BLANCHE BOWMAN, M.S.

To relax from teaching English, Mrs. Bowman likes to cook or paint. Her favorite food is cherry pie. She came to Olivet three years ago. Her home town is Abilene, Kansas, and the "Ray" of her heart is in the Sunflower State.

KATHRYN RUTH HOWE, M. A.

Miss Howe has been professor of Education at Olivet for seven years. Before coming here she taught at Bresee College in Hutchinson, Kansas and in public schools in Illinois. She likes to do fancy work or watch sports. Ummm—and her favorite food is steak.

The purpose of The Future Teachers of America is to develop, among young people who are preparing to be teachers, an organization which will acquaint them with the history, ethics, and program of the teaching profession.

The presentation of interesting programs at each meeting and the sponsorship of the Christmas Seal drive highlighted a full year.

The officers for the 1948-49 term are: Betty Goodwin, President; Lester Sprang, Vice-President; Leo Baugus, Treasurer; and Betty Kendall, Secretary.

the F. T. A....

ELIZABETH S. ENDSLEY, M.A.

She is Principal of the High School and teacher of mathematics. Before coming to Olivet two years ago, Mrs. Endsley taught in Illinois high schools and Illinois State Normal College. Her favorite pastime is sewing and studying. Mr. and Mrs. Endsley are very busy in school activities, but not too busy to take care of their young daughter, Pat.

JUNE MEASELL,
B.S. in Mus.Ed.

Miss Measell is one of our very own. Michigan is her home state, but Olivet claims her. She has a golden voice, plays the violin and skillfully designs and makes her modish apparel.

the High School...

EUNICE S. McCLAIN, B.A.

Although she has reared three lovely daughters, Mrs. McClain has arranged her schedule so that she could teach English in our high school. Like many English teachers, her favorite pastime is reading. Here's a tip to high school students—instead of taking apples to her, please her with a nice, big lemon pie.

ELAINE BAUGUS, A.B.

Versatility seems to characterize Mrs. Baugus, for she teaches High School history, French, and College English. The duties entailed in housekeeping fill her off-school hours. As a choice delicacy Mrs. Baugus would have chow mein every so often.

the Commerce Club....

The purpose of the Commerce Club is to create business interest among the students majoring or minoring in Business Administration.

The activities of the year included addresses by business men from the local community, talks by our sponsors, plays given by the Commerce Club, and social events.

Officers were: President, Charles Hess; Vice-President, Roy Brinkman; Secretary-Treasurer, Thelma Boston.

L. G. MITTEN, Ph.D.

Dr. Mitten, from Spencer, Indiana, has been head of the Business Administration Department for the past five years. Formerly he taught at Indiana University and Manchester College. This year Dr. Mitten decided he needed a nurse and so he took our school nurse and Dean of Women to be his wife. He likes to work in the garden and go fishing in his spare time.

ROSELLEN OSWALT, M.A.

"Rosie" Oswalt has taught here for the past five years. She is a graduate of our own business department. She teaches business administration and economics. Chicken and noodles is her favorite dish. Her home town is Centerville, Iowa.

and our Business Dept.....

ESTHER B. WELSH, M.A.

Columbus, Ohio is her home town. For two years she has been teaching business administration at Olivet. Before coming here Miss Welsh taught school in Ohio. She is treasurer of the Faculty Club. Her favorite dish is fried chicken and she really likes to cook.

The Ministerial Fellowship aims to help the more than three hundred called Christian workers on the campus to understand more fully the task which lies ahead of them.

A fitting climax for the year was reached at the annual banquet it shared with the Platonian Philosophical Club. Dr. Titus, philosopher and author, was the speaker. Officers: George Psaute, President; Carl Greek, Vice-President; James Rhinebarger, Treasurer; Velma Johnson, Secretary; Dr. J. Russell Gardner, Sponsor.

After graduating from Olivet Mrs. Donson liked us so well that she returned five years ago to teach in the Bible School. Her choice foods are ice cream and fried chicken. She says that her favorite pastime is traveling, and we think she best likes to travel in the direction of Bloomington, Indiana, where her husband, Wayne, is attending the University.

MARTHA ANN WINES

The Rev. Martha Ann Wines, for whom the organization of Young Women ministers was named, was an effective minister of the Doctrine of Holiness for over fifty years. Mom Wines quietly and quickly went to be with her Blessed Redeemer last August.

Her beautiful Spirit-filled life was a benediction and blessing to all who knew her or heard her ministry.

MARY ESTHER GILBERT

Miss Mary Esther Gilbert, class of '45, a charter member of The Daughters of Martha Ann Wines, gave her life in service and devotion to the Lord in ministering to the North American Indians. While stationed at the Winterhaven, California, Indian Mission, Mary was taken to her heavenly reward.

Mary was loved and appreciated by her classmates and teachers, her missionary friends and co-laborers, and especially by the Indian people to whom she ministered.

A meal of Swiss steak and cherry-nut pie, followed up by some reading by a warm fire would completely satisfy Professor Slagg. For the last two years he has taught Spanish and French at Olivet. Professor Slagg taught at Fletcher College for 23 years and then at William Penn College. He is a real athletic boooster.

WAYNE A. SPALDING, M.Mus.

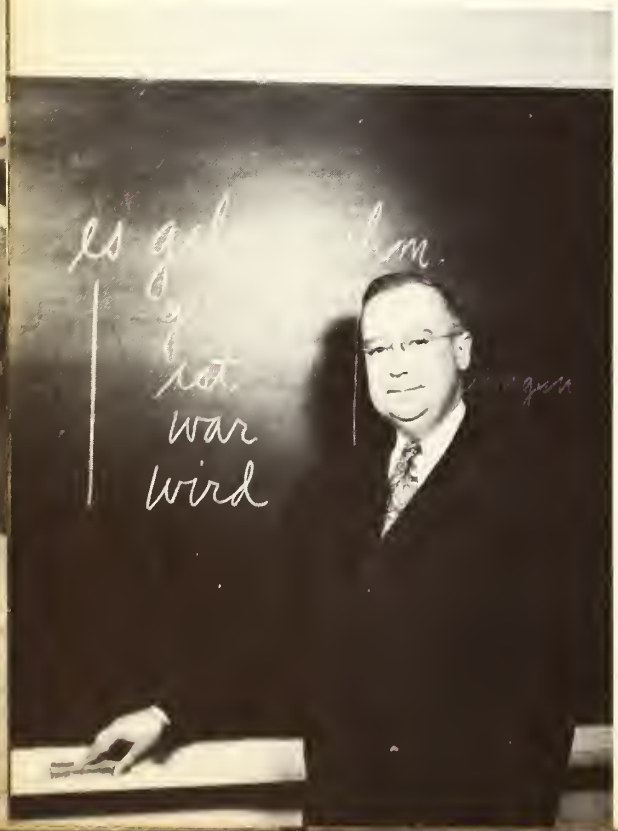

Hear that music? That's Prof. Spalding where he feels at home—at the piano, either composing or interpreting others. He also has been teaching German at Olivet for the past two years. Professor Spalding's favorite diversions are traveling, railroadiana, and attending athletic events.

"Radio at Olivet" is now in its fourth year under the direction of George A. Snyder. His youthful interest in radio was rekindled after graduation from the college departments of Theology and Music. Realizing the tremendous opportunities for Christian service through the medium of radio, he proceeded to organize the Radio Department. Mr. Snyder's experience in sales management and advertising promotion has served extensively in the organization of the department.

Wonc...

Mr. Richard Hollis, instructor in radio and physics, recently joined the Olivet staff to organize a much needed technical radio program. Since his discharge from the armed services, he had been connected with radio stations WBAA and WILL. He is a graduate of the University of Illinois, an active amateur radio "ham" and serves as faculty advisor for the Olivet Amateur Radio Club.

Radio Hams—....

This new campus organization is a part of "Radio at Olivet" in that it desires to more adequately equip students with "Education for a Christian purpose."

The club members are learning Morse code and will have a chance to try to obtain their amateur license from the government at the end of the year.

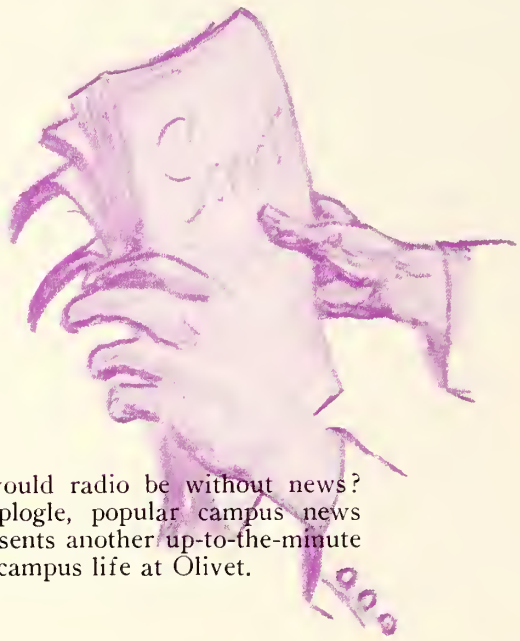

"The Oscillating Oscars" is the title given to this new organization.

Officers: President, Marion Canham; Vice-President, Ralph Fox; Secretary and Treasurer, Lynn Scott; Activities Manager, Craig Baum; Sponsor, Professor Richard Hollis.

This year, Mr. Henry Engbrecht, Junior in the School of Theology, joined the staff of WONC as program director and station manager. Previously Mr. Engbrecht had served two years as the WONC production director.

What would radio be without news? Marie Replogle, popular campus news editor, presents another up-to-the-minute report on campus life at Olivet.

Radio students hard at work in Studio A, a mighty busy workshop.

Announcers are a busy group learning how to "sell" copy, obtain valuable experience and training for their profession.

"Stand by, for the cue."

Supervisory members of the 1948-49 WONC staff are: John Jones, continuity; Dale Sievers, production; Ray Hammer, business; Francis Reeves, religion; Craig Baum, sports; James Leach, news; Ralph Fox, chief engineer; Mark Vandine, assistant chief engineer; and Marie Replogle, campus news.

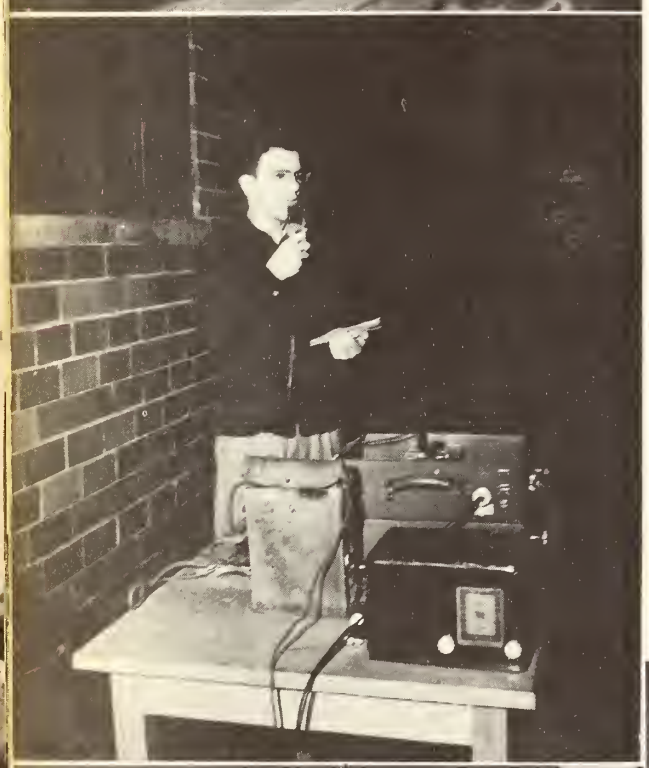

"WONC presents"—and the radio voice of Olivet continues with another in its regular schedule of evening broadcasting on the college campus.

Today, that introduction is well-known to the Olivet students who listen to WONC, the campus radio station, each evening. The programs are originated by the radio staff, a unique college student organization whose purpose is to use what it calls "the modern tools of communication" in preparation for life's work.

The radio department studios and recording facilities serve WONC, radio laboratory classes, and the School of Music progressive recording program. Every phase of the expanding radio program is being channeled toward a permanent and powerful radio station located on the Olivet campus.

The rich harmony of the Orpheus Quartet was one of featured attractions of "Opening Night" of WONC for the 1948-49 school year. Additional personalities on this program were Professor George Moore, Jacqueline Bowers Moore, Kenneth Bade, and Curtis Horn. The Olivet String Ensemble provided the musical background. Charles Henderson, serving as M.C., introduced guests and members of the Olivet Radio Commission.

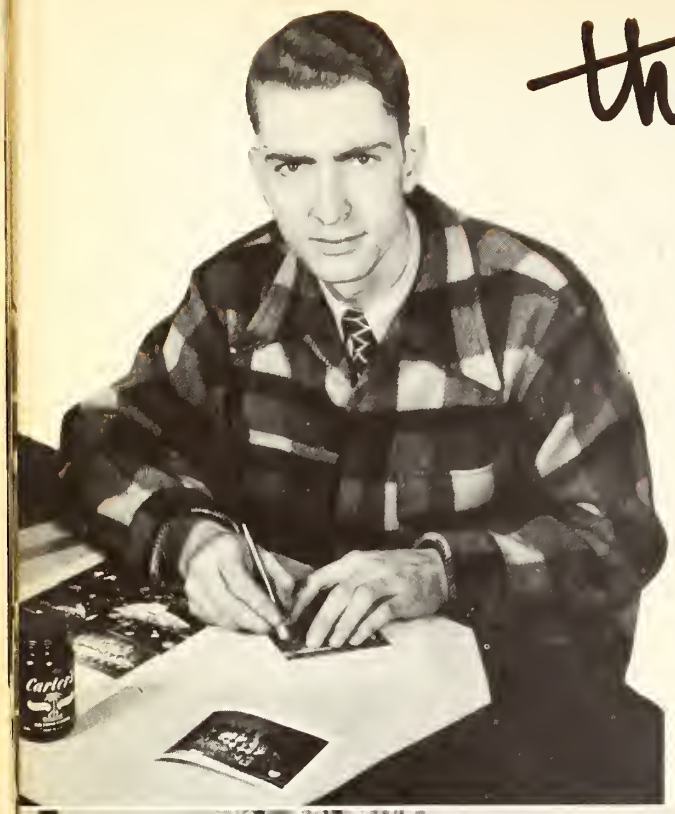

WONC regularly features news, music, variety, and devotional programs. The station is a member of the Intercollegiate Broadcasting System.

The '49 Aurora Staff hopes that you are enjoying this tour through our school. You are now on the third floor of the Administration Building and much is to follow.

You have made this trip possible by your support of the Aurora through the year. We are indebted to you for that support.

Our thanks also go to John Bundy, holder of the purse, and his assistant, Walter Attig; Jess Schnell and his pencil drawings and good ol' Professor Strickler with his camera and his good advice. our Choral Union.....

The Olivet Choral Union, under the direction of Professor Walter B. Larsen, has done much to enrich the lives of many students on Olivet's campus, and has inspired great audiences which have heard its performances. The Choral Union has provided opportunity for vocal expression to many singers who were not in choirs or who were not music majors.

The Choral Union presented Handel's immortal *Messiah* before an overflow audience at the Kankakee High School Auditorium. Soloists for the occasion were: Janette Taylor, Professor Kathryn Zook, Professor Gerald Greenlee, and Raymond Dafoe. Accompanying the presentation were Professor Bernice Taylor, pianist, Professor Gale, organist, and the Olivet String Orchestra, with Professor Eldon Basney as Concertmaster.

Final appearance of the Choral Union for this year was at the Baccalaureate service in the Kankakee High School Auditorium, when Mendelssohn's dramatic epic, *The Elijah,* was staged. Gerald Moore sang the title role of Elijah. Again a capacity crowd was present to hear the magnificent oratorio.

our prized Orpheus Choir...

A MINISTRY IN MUSIC

The Orpheus Choir, oldest student organization on the campus, except the Aurora, has striven again this year to attain its objective, to foster a popular demand for good sacred music through the study and presentation of a discriminating repertoire. Its trips to the many churches on the college educational zone have done much to disseminate the friendly Christian spirit so dominant at Olivet.

This season's varied programs included the "Finale" from the Motet, *Sing Ye to the Lord,* by J. S. Bach; the Motet, Op. 29, No. 2, which is the setting of the 51st Psalm by Brahms; anthems composed by Esther Snyder; and spirituals and hymns arranged by staff members of the School of Music. The program was climaxed with the presentation of the "Hallelujah Chorus" from Handel's *Messiah.*

Walter Burdick Larsen, professor of Theory and Choral Music and founder of the Orpheus Choir, is the Dean of the School of Music. He received his Bachelor of Music degree in voice from the University Conservatory in Chicago and a Bachelor of Music in piano from the American Conservatory of Music. His graduate study includes a Master of Music in Theory and Piano and a study in composition. In 1942 he was selected as an honorary member of the Louise Robyn Music Foundation and in 1944 was appointed Vice-President of the Kankakee Civic Music Association. Professor Larsen has been a member of the faculty for seventeen years. His few leisure hours are spent with his hobbies, reading and shopping.

The Director and Accompanist.

Mr. Kenneth Bade is a student instructor in piano in the School of Music. He received a Bachelor of Music degree in Piano and Organ from Olivet in 1949. He has been active in music circles during his four years at Olivet, serving three years as accompanist for the Orpheus Choir. In addition to his school activities he has been organist for St. John's Evangelical and Reformed Church in Kankakee for 3½ years.

the Treble Cleff....

Under the stimulating leadership of Mrs. Naomi Larsen, this all-girls' choir continues to be one of Olivet's outstanding musical organizations. In addition to the monthly appearance in the College Church, the choir sang for the Christmas party and made its annual choir tour—this year traveling to Indiana, Michigan, and Ohio.

In a truly Christian manner, the Treble Clef Choir of thirty voices has brought inspiration and blessing to many listeners.

Among the outstanding selections rendered by the choir this year were: Bortniansky's "Cherubim Song," "The One-Hundredth Psalm" by Mueller, "But the Lord Is Mindful of His Own" by Mendelssohn, and the hymn, "Then Jesus Came," arranged by Mrs. Larsen.

Besides serving as Director of the Treble-Clef Choir and Chairman of the Department of Piano, Mrs. Naomi Larsen is the Associate Dean of the School of Music. She received her Bachelor of Music degree in piano and voice from Olivet College in 1933 and has received two Master of Music degrees from the American Conservatory of Music, in voice and in piano. She is an honorary member of the Louise Robyn Music Foundation and studied under the late Madame Olga Samaroff. Her many duties as a successful career woman, wife, and mother leave her little time for her hobbies.

with Mrs. Larsen and Jewel....

Miss Jewell Flaugher is an instructor of violin in the School of Music. She received her Bachelor of Music degree from Olivet. Miss Flaugher has made many local appearances and has been soloist with the Olivet Symphony and the Treble Clef Choir. She is at present Concertmaster of the Olivet Symphony Orchestra. She spends her leisure time reading.

Vikings and the Snyders....

The Viking Male Chorus was formed during the summer of 1944 to assist the Orpheus and Treble Clef Choirs in carrying the heavy load of music for a growing student body. Only fourteen voices composed the first Viking choir, and during that initial year the chorus sang for the college church and for social functions within the school. The group this year numbered twenty-five.

The choir, under the leadership of Professor George Snyder, who has been its only conductor, augments its regular concert season with week-end tours to neighboring towns around Olivet. These concerts have proved a real blessing to the churches, many of which have student pastors.

The Viking motto has always been to tell the story of Jesus through the ministry of song, and truly their singing has been the means of many people turning to the One who can bring them the more abundant life.

The home concert was given April 19 in the college chapel.

Mrs. Esther Snyder received her Bachelor of Music degree from Olivet Nazarene College. She has done graduate study at the American Conservatory of Music in Chicago and at Drake University in Iowa. Mrs. Snyder is Professor of Piano and Theory in the School of Music. Advance study and home-making for her husband keep her occupied when she is not teaching.

Mr. Curtis Horn is a student instructor in the Department of Music. He came to Olivet in 1947 as a transfer student from Bethany-Peniel College and received a degree of Bachelor of Music in Music Theory in 1949. He participated in music activity during his term of service with the U. S. Army. Mr. Horn teaches band and instrumental music.

The Olivet Band has proved itself worthy to be placed alongside any of the major musical organizations of Olivet College. In a year and a half it has grown from a Pep Band to a real concert band. Credit is due the players and Mr. Curtis Horn, the conductor, who through his untiring effort and thorough musicianship, has brought the band's performance to its present high level.

In addition to playing for many athletic events in the gymnasium, the band has given chapel programs this year and three full concerts.

our College Band and Mr. Horn..

Apollo and Miss Zook...

In the fall of 1947 Professor Kathryn Zook undertook the task of organizing a new choir at Olivet Nazarene College. That group, which is still the youngest regular choral organization on the campus, was known as the Apollo Choir.

For two years this group of thirty voices has been contributing its talent to the college church services and to the educational zone.

This year the School of Music suggested a re-organization plan for the Apollo Choir. Instead of thirty voices it was to be an ensemble of twelve selected singers, with each member chosen for his vocal ability, scholastic standing, and spiritual vision. That plan was carried out. Thus the Apollo Choral Ensemble has replaced the Apollo Choir.

A favorite professor among the students of the School of Music is Miss Kathryn Zook. She is Chairman of the Department of voice and Director of the Apollo Choral Ensemble. Miss Zook received her Bachelor of Music degree from Olivet Nazarene College and her Master of Music degree from the American Conservatory of Music. Listed among her favorite pastimes are the pleasurable hobbies of cooking and entertaining.

the College Church...

It is my happy privilege to pastor the grand group of wholesome young people of Olivet. I call them wholesome because of their genuineness, their lack of make-believe. They evidence genuine desires to be thoroughly Christian in heart experience and in ethical life. They attend church services readily and worship sincerely. They carry on their own prayer meetings enthusiastically. They work with seekers intelligently and tirelessly.

I meet them casually about the buildings and campus; I meet them seriously in my office as we consider their problems and needs in frank and straightforward fashion. I meet them when they are happy and overflowing with life; I meet them when they are troubled, disillusioned, confused, torn with inner conflicts or facing possible defeat. I can sum up my considered conclusion in these few words: they are wholesome, healthy-minded, spiritually alert young people. And I declare it is one of the high times in my entire ministry to be serving them as pastor and friend.

its Departments..

The program of the college church has been steadily going forward. Jim Johnson has been the able leader of the five N. Y. P. S. societies. Violet Patterson held children's church services and Walter Attig had charge of the Junior Church. Ted Kerr led the Sunday School as Superintendent.

The church has grown in all departments this year.

DR. HARDY POWERS

Our Revival....

In February we had our annual spring revival. The evangelist, Dr. Hardy Powers, our Senior General Superintendent, brought messages that were God-sent. The Holy Spirit was present in convicting power and students who have been here for several years said that it was the best revival they had seen at Olivet. We thank God that He visited our campus in such a wonderful way and for Dr. Powers' Spirit-filled messages.

DR. S. D. KELLEY

The fall revival, with our own President, Dr. Seldon Dee Kelley, as evangelist, was a great success. Dr. Kelley preached inspiring messages that supplied the need of many hearts. Numbers of students found the Lord in saving and sanctifying power. We thank God that He visited us in such a gracious manner.

RADIO GUILD

Working under the direction of Professor Moore, the Radio Guild presented weekly radio dramas over WONC. These dramas through the channel of our campus radio station not only provided practical experience for those who took part but also good listening for fellow students.

DEBATE

In its tradition, Olivet was well represented in debate activities this year. The two debate teams helped to establish friendly intercollegiate relationships.

For participating in several tournaments, the debaters won many honors for their Alma Mater. They worked hard to fulfill the ideals for educated men—to know both sides of any issue and to formulate ideas concisely and convincingly.

The coach for the varsity debate team is Professor George Moore.

The speaking choir, Chi Sigma Rho, revives the ancient Greek form of entertainment. Founded in 1942, the choir is rooted in the high ideals of art and interpretation.

Issues of the first semester were submitted to the Associated Collegiate Press, School of Journalism, University of Minnesota, for critical analysis.

"Kankakee Chronicle," "From the Pastor's Study," "Olivet's First Ladies" and "Kampus Kapers" were but a few of the new features to be found in Volume VIII of the *Glimmerglass.*

Clean-up Day...

Mr. Brodien, "Ed," is the very efficient engineer and faithful superintendent of grounds and buildings. He has the tremendous responsibilities of keeping the campus heated, lighted, and in good repair. The man to see when in need—is "Ed" Brodien.

Maintenance...

Mr. Hazzard, "keeper of the night," adds much to our campus. On his shoulders rests the responsibility of our security.

At times he is greatly appreciated but at other times —10:30 for instance, well,—you guess. Mr. Hazzard politely but firmly, with Miss Brown's assistance, banishes the male battalion from the dorm. Then he quietly takes his place in his lookout tower, the "hut" as some call it, to guard our campus for the night.

Spartan Football.....

"Break up the Spartans!" That is the cry of the Indians and Trojans. Perhaps they will get their wish when graduation takes Kenny Foust, ace defensive back, and Leo Baugus, brilliant pass-throwing and catching halfback. But such men as 265-pound Clayton Bailey, a great lineman, and Don Wellman, who led all pass receivers in yards gained, will be back next year to try to duplicate the championship performance of this year's combination. A never-say-die outfit such as this could easily turn the trick.

Indian Football.....

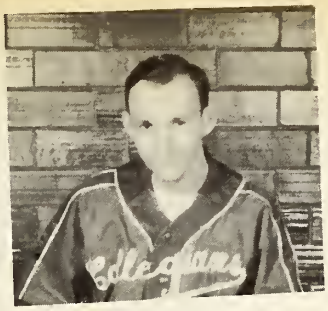

Woe to the Indians! They fought their way into second place on the coaching of Joe Nielson, the running of "Chuck" Henderson, the passing of Howie Martin, the pass-snagging of Bob Watkin and Harvey Doud, and the stellar defensive play of Wally Erickson and Jimmy Johnson. But with withdrawals from school and wholesale graduations, their whole aggregation is riddled. But the scrappy Indians will be in there pitching next year. Watch out!

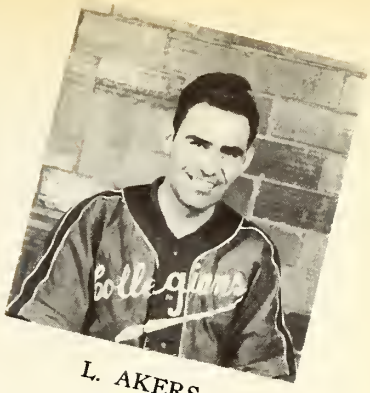

Trojan Football.....

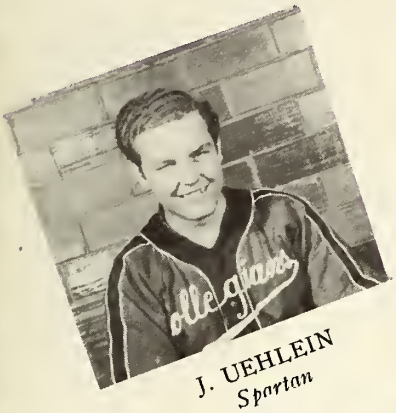

Here was a team that scrapped from the opening kickoff to the final whistle and which never gave quarter nor asked it. Sparked by the passing and running of "Butch" Ward and the vicious line play of the Gibson twins and Leonard Baylor, the Trojans came within one-half game of second place, and with a few breaks could have been the champs. Their experienced players will be back next year. Watch out, Spartans and Indians—the Trojans have their sights set high for next year!

Indian Softball....

The Indians finished another successful softball season, placing first for the third consecutive year. Their record for games won and lost equalled that of last year as they scored six wins against only two defeats for a season average of .750. Bob Clendenen was the star pitcher for the Warriors. He was aided behind the plate by Art Simpson, a freshman, who showed plenty of spark and fight when the going was tough.

The Indian infield, composed of C. Alstott, T. Moore, T. Clendenen, and F. Gale, although a bit shaky at times, always managed to gain its balance and come through at the right moment. The outfielders for the Indian Warriors were C. Beatty, T. Wood, and L. Mitchell, who played consistent ball throughout the season.

Indian Softball....

At the close of the fall series the Indians led with six wins and no losses. Good fielding, hard hitting and a new discovery in Shirley Arthur as catcher kept the Squaws on top.

Trojan Softball.....

The Trojans, coached by Bill Hess, scored three wins and five losses during the recent season and tied the Spartans for second place in softball.

They had a well-rounded team made up of Bundy, Nash, Hess, and Rice in the infield, and Hoch, Carlson, and Akers in the outfield. "Gabby" Cox, batting a strong .429, held down the catching position for the Trojans. The pitching was divided between Ed Sirrine and R. Laymon.

The Trojans showed a great deal of hitting power at the plate, having had four players who batted well over the .300 mark.

The Trojans possessed a fighting spirit and a will to win which is hard to beat in any ball game.

Trojan Softball ...

Shirley Wilson coached the new Trojan team. Evans, Cobb, Ritthaler and others were in there fighting hard, but they missed some of their old members. They are looking forward to a better spring season.

Spartan Softball...

The boys in green shared honors for second place with the Trojans in the 1948 softball season. They finished with a record of three wins and five defeats.

The Spartans got off to a slow start by dropping their first two games in the first round. However, as the second round of play got under way, they came through with two victories to bring their average to the .500 mark. They tried gamely to maintain the winning place, but only managed to score one other win during the season.

The Spartans worked well together and never seemed to lose the fighting spirit. John Jones, coach of the Spartans, pitched fine ball and was aided in his efforts by J. Uehlein. The other members of the team were: Coleman, Mattax, Kiester, Sprang, Krabill, L. Akers, and Shirkey.

Spartan Softball....

The Spartans, sparked by the Harshman combination—pitcher and catcher—and some heavy hitting and fielding by Brown, Evans and Ferguson, came through with three wins and three losses for the fall season.

Who's Who Among Students in American Universities and Colleges

The honor of representing the college in Who's Who Among Students in American Universities and Colleges is a nationally recognized distinction. Election is based upon scholarship, character, extra-curricular activities, service to the school, and potentiality for future usefulness in business and society. A biography of each student-elect is included in the current volume of Who's Who Among Students in American Universities and Colleges, a book which serves as a guide for personnel managers who are seeking capable college graduates. Students elected are presented with a certificate of recognition and are privileged to wear the official key which is a symbol of the most versatile achievement in college.

By action of the Administrative Council twelve students from Olivet Nazarene College were elected to membership this year.

Olivet Nazarene College is proud to present her most outstanding students with her heartiest congratulations. May their future accomplishments be as great and useful as their college life heralded.
